

UnitedHealthcare® Estado de Contrato de Médico que Atiende en el Centro de Texas

Información Importante

Tenga en cuenta lo siguiente: La inclusión del nombre de un grupo en la lista de proveedores no es garantía de que todos los Médicos que Atienden en el Centro participen en la red de UnitedHealthcare.

Aun cuando un hospital, centro de cirugía ambulatoria u otro centro tenga un contrato con UnitedHealthcare y pertenezca a la red de UnitedHealthcare, es posible que el centro emplee o contrate médicos y otros profesionales del cuidado de la salud que no participan en la red.

Cuando recibe cuidado médico de médicos que atienden en un centro fuera de la red (anestesiistas, médicos de la sala de emergencias, radiólogos, patólogos y neonatólogos), la cantidad que usted paga (los gastos de su bolsillo) puede ser mayor. Es posible que usted sea responsable del pago de todas o parte de las tarifas por esos servicios profesionales que su plan de beneficios de salud no paga o cubre.

Para ayudarle a minimizar los gastos de su bolsillo y maximizar sus beneficios, la siguiente lista de proveedores indica si los centros que está considerando tienen médicos y proveedores no médicos dentro o fuera de la red en su personal en las especialidades particulares (es decir, anestesiología, patología, radiología, neonatología y sala de emergencias).

Algunas cosas que debe tener en cuenta:

- La información brindada en esta lista de proveedores está sujeta a cambios y tiene solo fines informativos.
- Algunos centros tienen más de un grupo de médicos que atienden en el centro y proveedores no médicos que prestan estos servicios y, por lo tanto, es posible que no todos los médicos dentro de una especialidad en particular participen en la red de UnitedHealthcare.
- Esta lista de proveedores no es garantía de que el médico que le preste servicios a usted esté en la red de UnitedHealthcare. Siempre debe confirmar el estado de participación del médico o proveedor no médico específico antes de recibir los servicios. Para verificar la participación de un proveedor, vaya a www.myuhc.com o llame al número de teléfono que aparece en la parte de atrás de su tarjeta.
- Esta lista de proveedores no indica si los servicios que se le prestan son servicios cubiertos. Consulte los documentos de su plan de beneficios para determinar si los servicios están cubiertos por su plan de beneficios. Es posible que su plan de beneficios no incluya cobertura en el nivel de la red de profesionales del cuidado de la salud no contratados.

Los médicos y otros profesionales de cuidado de la salud que ejercen exclusivamente dentro de un centro como un hospital o centro quirúrgico, y lo atienden solo como consecuencia de que usted busca cuidado en el centro, están acreditados por el centro en el que ejercen. Solo aquellos médicos individuales que se indican en nuestro Directorio de Proveedores están acreditados por separado por UnitedHealthcare.
