Welcome!

Thank you for choosing UnitedHealthcare. We want to help you get the most from your health care benefits. Here are a few ideas and reminders to get you started.

It is important to choose a provider you will visit for your routine care. Having a long term relationship with a provider is the best way to make sure you get the health care that is right for you.

Your choice of a provider is your own. We will help you make your choice by providing details on providers' credentials, type of services they offer, and their performance on quality measures and surveys. This information is not an endorsement of a particular provider's suitability for your needs.

You will normally have lower out-of-pocket costs by visiting a provider in the UnitedHealthcare network. These providers have agreed to provide financial discounts and participate in programs to help you have a good member experience.

Important Notice:

Some network providers may have been added or removed from our network after this directory was printed. Soon after a provider changes their status, out of network penalties or increased cost sharing will result. In some cases, extension of in network or greater network benefits may be available. We do not guarantee that each provider is still accepting new patients. Any physician included in this directory is listed for outpatient office visits. In addition, the directory includes information regarding whether the provider is currently accepting new patients. We cannot guarantee continued access to a particular provider through the term of your enrollment in the plan. If the provider that you are seeing ceases participating with your plan, we will provide access to other providers with equivalent training and experience. You can find the most up-to-date information about UnitedHealthcare network providers by using our online directory at **myuhc.com**.

The information contained in this document is accurate as of **July 2026**. The next edition will be published in **September 2026**. You may also visit the **myuhc.com** for current information at any time.

Paper Directory Requests

Enrollees, potential enrollees, providers and members of the public may request a printed copy of providers in your area by contacting the Plan by phone, 1-800-999-9585; by email bnswest@optum.com; or by mail: OptumHealth Behavioral Solutions of California P.O. Box 880609 San Diego, CA 92108.

Inaccurate Information: California residents may report, or submit a complaint for, possible inaccurate, incomplete or misleading information listed in the Behavioral health provider directory by calling 1-800-999-9585, or emailing provider_feedback@optum.com.

For California residents, under California law, you may also be entitled to free interpretation services. To get help in your language, please call 1-800-999-9585 or call the number on your identification card. Language interpretation services are available at no cost to the member.

Timely Access to Care

Enrollees have the right to appointments within the following timeframes:

- ☐ Emergency (Non-Life Threatening) – 6 hours; Urgent – 48 hours;
- ☐ Routine (Non-Urgent) – 10 business days.

The wait time for a routine appointment may be longer if the provider has determined and documented that a longer time period will not negatively impact the enrollee's health.

Telephone Wait Times for OptumHealth Behavioral Solutions of California Representatives:

- ☐ During Normal Business Hours - Not to Exceed 10 minutes;
- ☐ After Normal Business Hours – Not to Exceed 30 minutes.

Interpreter services are available to enrollees at the time of the appointment as requested.

If you are unable to obtain a timely referral to an appropriate provider or would like to request interpreter services, please contact the number on the back of your Enrollee ID card. Additionally, the DMHC Help Center may be contacted at 1-888-466-2219 to file a complaint if you are unable to obtain a timely referral to an appropriate provider.

Mental Health/Substance Abuse Network

How To Use The United Behavioral Health Network

Follow these four easy steps:

- 1. Check your benefits** description or certificate of insurance to confirm that mental health and substance abuse services are part of your employer's health plan and to confirm that the UBH network is your plan's network for the purposes of mental health and substance abuse services.
- 2. Call the toll-free number** on your ID card (under Mental Health Services) for personal consultation and assistance with a referral.

- 3. Obtain pre-authorization when required.** Some benefit plans require you to obtain preauthorization to obtain the fullest possible reimbursement for some or all mental health and substance abuse benefits. Pre-authorization means calling UBH prior to obtaining care. To find out the benefit requirements that apply to you, check your benefits summary or certificate of coverage, talk with your company benefits administrator, or call the toll-free number on your ID card. Note that you should always contact UBH prior to obtaining in-patient services.
- 4. Arrange an appointment** with the network provider you have selected. It's that easy.

Four Reasons to Call UBH for a Referral to a Network Provider

Some benefit plans offer you the option of arranging care with provider outside the UBH network. We believe you may benefit greatly from choosing care with a UBH network provider.

	With a UBH Network Provider	With a Non-Network Provider
1. COST	You may pay a modest co-payment at the time of your visit; in most cases you pay no deductible.	Your benefit often reimburses only a portion of the provider's billed charge, and reimbursement often begins only after you have paid an annual deductible.
2. TIME	You receive no bills and file no claim forms. So there's no time lost on paperwork or waiting for reimbursement.	You must file claim forms in order to receive reimbursement.
3. BEST MATCH	When you call UBH for a referral, out clinically-trained staff work with you to identify a provider whose training, background and expertise suit you specific needs. The process is confidential.	Even if a friend or family member recommends someone, you can't be sure that the provider has the right background to address your unique problem.
4. QUALITY	UBH reviews the background and practice of each provider before including them in our network. We recheck regularly, and provide resources and feedback to network providers.	There's no one checking background, license or practice history for you. And if you see an unlicensed provider, your benefit may not provide reimbursement.

4 - INTRO

Make the call for better health care today!

Just call the toll-free number on your ID card and obtain hassle-free care you deserve from a UBH provider.

Choosing a Mental Health/Substance Abuse Provider

Whether you're seeking help for a new issue or a longer-term problem, finding the right provider is important. Consider using this as a tool to help you:

Define your needs

- ☐ What areas of expertise should your provider have? Behavioral health providers often have special training and skills; examples include: marriage/couples, child/adolescent, or substance abuse counseling.
- ☐ Are you looking for a provider who can prescribe psychiatric medications such as antidepressants? If so, look for a psychiatrist. They are medical providers who can prescribe medication.
- ☐ Are you looking for talk therapy? Talk therapy usually involves 45-50 minute sessions once a week or so. Providers who are qualified to do this include: psychologists, marriage and family therapists, licensed clinical social workers, licensed professional counselors, and psychiatrists.
- ☐ Would you feel more comfortable talking to a man or a woman? Do you want to see a provider near home or work?

Get a recommendation

- ☐ Do you know anyone who can recommend a provider? If so, check to see if the recommended provider(s) is in the network. You can do this by using this directory or visiting **www.ubhprovider.com**
- ☐ Call United Behavioral Health and speak to one of our specially trained staff members who can help you find a provider to meet your specific needs.

Ask questions

- ☐ Is the provider accepting new clients?
- ☐ What appointment times are available, and does that fit your schedule?
- ☐ Talk to the provider briefly on the phone before making a decision on which provider to choose. Ask them about their experience and approach to treating problems like yours. First impressions are very valuable.

Your provider should always

- ☐ Be willing to listen to you.

- ☐ Take your questions seriously and answer them thoroughly.
- ☐ Respect you and your needs.
- ☐ Clearly communicate his/her assessment of your problems and how best to address them in treatment.

In addition to the right skills and experience, personal rapport is important. You and your family will benefit from a provider with whom you feel comfortable.

Network Criteria

Our provider network is built to provide an array of licensed qualified professionals and programs/facilities in mental health and substance use disorders. This network represents an array of clinical specialties and expertise to allow timely access and availability for our membership taking into account geographic access in terms of distance and travel time as well as member population density. In addition, we continually work to ensure the diversity of our network to enable us to meet the clinical, cultural, linguistic and geographic needs of our members.

The source of the information required to be included in this provider directory is our participating providers.

The information provided or included in this directory is accurate as of the date posted to the web or as of the date of updating/printing. Covered persons or prospective covered persons should consult this electronic provider directory on this website or call the specified customer service telephone number on the covered person's insurance card to obtain more or current provider directory information.
