A dental plan for individuals and families

A DHMO plan that gives you simpler benefits for a healthier smile

United Healthcare®

We give you something to smile about

Your health benefits just aren't complete without dental coverage

Whether you need coverage for yourself or for a growing family, you'll appreciate UnitedHealthcare Dental Plan V160 plan that provides a wide range of benefits. Routine exams are covered at no charge. And the plan covers a range of preventive, routine and major services at a fraction of what you would pay without coverage. There's even an orthodontic plan with special pricing. Now, that's worth smiling about!

The UnitedHealthcare Dental Plan V160 plan is simple to use. There are no claim forms and no deductibles. Your annual premiums cover common dental procedures to keep your smile healthy. (See the Benefit & Copayment Highlights inside.)

The dentist just for you

When you join UnitedHealthcare Dental ("UnitedHealthcare Dental Plan V160 or The Plan"), you'll select a contracted dentist from our directory to oversee your dental care. All dentists are rigorously screened before they're added to our network. With our large DHMO California network, you're sure to find a dentist you're comfortable with at a location that's convenient for you.

Find your primary care dentist

Each family member can have their own primary care dentist. Before you enroll, search the network to find the dentist that is right for you.

Online

1. Go to **myuhc.com**
2. Select Find a Dentist
3. Select California
4. Select the "CA DHMO-Legacy PacifiCare" network

Call Open Enrollment Hotline at **1-888-679-8925.**

Brace yourself: orthodontia is included too

Straight teeth are important, not only for a great-looking smile, but also for the lifelong health of your teeth, gums and mouth. That's why UnitedHealthcare Dental V160 includes a value-priced orthodontic program. You pay a specially negotiated fee (most orthodontists accept payment plans), plus startup, retention and final records fees.

Your Plan primary care office submits a referral form. Then, the Plan sends you an Explanation of Benefits which includes the name and location of a contracted orthodontist who can provide the orthodontic treatment.

It’s easy to enroll

1. Fill out the attached enrollment form and, if choosing the ACH method of payment, be sure to fill out the Pre-Authorization payment application.
2. Indicate which dental office you’ve chosen. Choose the dental office from our Dentist Directory by visiting myuhc.com or by calling **1-888-679-8925.**
3. Include a check for your enrollment fee and annual premium payable to UnitedHealthcare Dental. Make sure we receive your enrollment form and payment by the 20th of the month to ensure coverage begins the first of the following month.
